I created a physical folder (left it on the cabinet in the hall by my desk) with requests from constituents to Susan as a VTA Board Alternate to protect route 65 from elimination. I'm forwarding this constituent's letter to both of you. The issue has also been added to the constituent issues log.

Subject: Do not Discontinue Line 65

Dear Susan,

I am a long-time District 4 legally blind resident who strongly opposes the current VTA plan to discontinue line 65. Please see my attached advocacy letter on the issue.

Thank you,
